

Version 8 Curl/Pro IDE Trial License

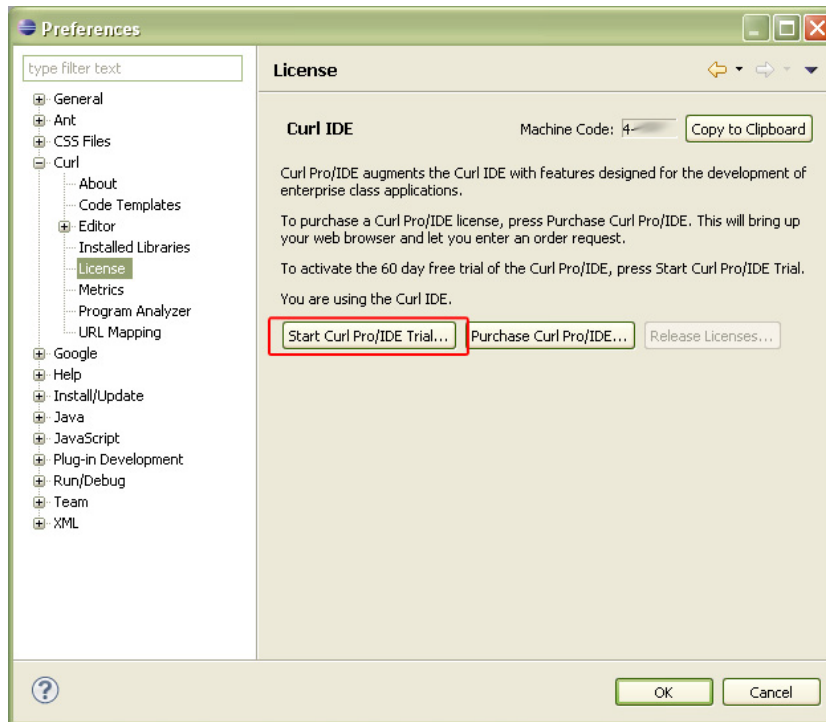

Using the Curl/Pro 60 Day Trial License

① Download CDE Version 8. ※ CDE and Curl IDE have the same installer.

■ For CDE Users

② Open Eclipse, go to “Window” -> “Curl” -> “Preference” -> “License”, and click “Purchase Curl Pro/IDE License”. The following screen should be displayed.

From this dialog, click “Start Curl Pro/IDE Trial...” button. After downloading the CDE, you can use a Curl Pro / IDE 60 Day Trial License once.

■ For Curl IDE Users

② Open the Curl IDE, and click “Help” -> “Purchase Curl Pro/IDE License”. The following dialog should be displayed.

From this dialog, click “Start Curl Pro/IDE Trial...” button. After downloading the Curl IDE, you can use a Curl Pro / IDE 60 Day Trial License once.
